Very warm conditions greeted runners and walkers at the South East Runners event on Saturday. The picturesque Kepwari walk trail at Windabout Lake was the venue for the event.

A small field of runners and walkers participated in the shorter distances with a few keen runners taking on the 6km run. A couple of runners opted to extend their run with an extra loop to make it up to 7.6km.

The Easter Bunny left a few treats with organiser Hillary Duffy, to ensure that everyone had an extra special treat at the end of the race.

No event next week due to the Easter long weekend. The next event will be at Lake Monjinup (Stage 2).
