

Last Saturday's South East Runners' event was a fun course on Wireless Hill, set by the Sharpe family. Although conditions were a little cool and windy at the start all competitors soon worked up a sweat on the hilly course.

Participation was the name of the game, with all competitors receiving a raffle ticket and prizes being drawn at the end of the event. The Smith family managed to take home two prizes, with Sharlene the winner of the 5km run and her daughter Elle winning the 2km run prize. Terry Landers won the 5km walk prize, and Jayme Ammon the 2km walk prize.

Next Saturday's event will be held from the carpark at Twilight Beach, with distances of 2km, 4km or 8km on offer. Start time is 4pm and all members and visitors are welcome.
