

South East Runners 22 March 2013

Last Saturday's South East Runners' event was the Easter bunny run, with prizes for the place-getters in each of the run events. The event was held at James St, and the distances were 2km, 4km or 8km. Conditions were ideal for running, and there were some good times close to personal bests, but no actual PB's recorded.

The Maccan family took home the trifecta, winning all the bunny prizes in the 2km run. Adam Maccan crossed the line first, followed by his sister Zoe, then the youngest member of the family, Joshua. James Rae was the winner for the 4km run and Richard Brown just edged out Andy Maccan to be the winner of the 8km run.

There is no event scheduled for the Easter weekend, with the last run of the current program taking place at 4pm on Saturday April 6th, from the end carpark of Castletown Quays.
