

Last Saturday's event South East Runners event had a wide range of distances available to suit all levels of interests and abilities. The shortest event was 2km, while the longest was 10km.

The 2km run attracted 11 competitors, with juniors and their parents making up most of the field. Cameron Brown led all the way to take out first place ahead of his brother Kaden. In third place was Bella Clifton, who improved on her personal best time by 21 seconds. Alex Middleton and Ben Loffler opted for the 2km walk, and crossed the line together.

In the 4km run Paul Clifton was the front-runner, and like his daughter Bella, achieved a PB. Paul took 1.18 off his personal time for this distance. Patrick Rae finished second, and Liana Smith third. For the 6km run Lucy Oorschot had a huge lead over the rest of the field, finishing nearly 8 minutes ahead of Michael Paterson in second and Sheila Oorschot in third.

The finish was a little closer in the 10km run, with Shannan Dixon holding off Stephan Haycock by a few seconds. Third place-getter Richard Brown did well to record a PB by 29 seconds; while Pam Williams took 4th place and recorded a PB by 21 seconds.
